Can I call 'you' for my partner? I should have the next draft survey for review as soon as my damned LN connects. Do you want me to do the printing of it? I have my portable printer.

Hi David, Alex, Vance, Rich, Ann, Rich and Francisco,

Let's plan to meet Thursday morning up in, or near, Dimock to discuss how we're going to go about this door-to-door outreach reservations at the Comfort Inn in Tunkannock for Thursday night, just in case we need Friday to finish the job. Let's meet planning at the Comfort Inn breakfast room at 9:30 a.m. Does that work for everyone? The address and directions from the cut/pasted below.

I'm on my way to a 4pm meeting with Ron. Let's hope our outreach materials (fact sheet and well survey) have been approved. I'll be in touch as soon as I get the latest update.

THANKS!
